

We are excited to announce a partnership with TPN.health, a digital platform connecting licensed clinicians and behavioral health organizations nationwide. With a mission to improve behavioral health outcomes, they provide resources such as free CE tracker and a secure network of vetted professionals.

What does this mean for our members?

Digital Profile

Your profile is your digital resume that shows off your specialties, modalities, and availability. Share and connect with other vetted clinicians through interactive chat, posts, videos, & more!

Community Connections

Our team ensures that every clinician is vetted to promote a safe environment for our users. Once approved, gain access to a network of over 25,000 clinicians nationwide with the ability to facilitate new connections, endorsements, and referrals.

Continuing Education Library

Enjoy free continuing education from industry-leading educators, both live and on demand. Don't let location, time, or money get in the way of your professional development.

Free CE Tracker

Centralize all your CE certificates and stay updated with your progress towards renewing your license. You can also upload existing certificates outside TPN.health and apply them to your license. Your CE Tracker is the organizational tool for supporting your professional development.
